

ICS Internationalisation Centre Styria

<http://www.ic-steiermark.at>

Bilateral Meetings

- Friday (10:10 - 12:15)
- Friday (13:00 - 15:00)

Description

The ICS is a One-Stop-Shop in Styria for export and all issues concerning internationalization. The ICS encourages and supports companies with their international launch, with opening up new markets and with intensifying their international activities. Its shareholders are the Styrian Economic Chamber, The Government of Styria and the Federation of Styrian Industrialists. Furthermore, ICS is a local contact point of the Enterprise Europe Network.

Offer

Sales agents and distribution partners sought

Styrian companies, active in the construction sector, are looking for distribution partners in order to enter new markets. So we are interested in foreign business partners who have free capacities in order to expand their product portfolio with Austrian products.
